

Fine Diner & Proud Cloud

Fine diner: Xabier for always saying please and thank you when speaking to staff during lunch times.

Proud Cloud: Abby for the amazing improvement in handwriting over the past few months. Well done!

Class trip

We spent a lovely day at Verulamium museum on Wednesday. The children took part in an artefacts handling workshop, during which they were able to touch and learn about different genuine Roman artefacts. They also were given the opportunity to explore the museum in order to find out about how the Romans in Britain lived.

Thank you again to the parents who were able to come along to help on the trip. We always appreciate your wonderful support.

Have a lovely weekend

Mrs Wong & Mrs Haines.

Year 3 Newsletter Friday 10th March

Learning this week

Science week has been such an exciting and fun week for the children. We started off the week by visiting the Moon Dome and finding out about the moon, sun and stars. The children demonstrated what they learnt by writing fantastic reports linked to their visit.

Later in the week we had a science workshop run by Mark from Hands on Science, where we investigated how fireworks are made. The children learnt about what different colours certain chemicals make if heated by fire. The children also enjoyed an archery workshop on Thursday afternoon.

As part of our topic on light, we spent time investigating shadows. We looked at different opaque, translucent and transparent objects and investigated the different types of shadows they made.

Pre-learning

MATHS: Next week we are going to continue to look at different addition and subtraction methods. We will also be looking at checking our answers using the inverse. It would benefit your child if you discussed with your child what inverse means.

Maybe you use the inverse with your child when you go shopping. If they buy an item and get change, they could check they have got the correct change by using the inverse.

Dates to remember

- PE is every **Monday and Thursday**
- Year 3 Class assembly **Monday 27th March** 09.00 -09.15
- Family Forest day **Saturday 18th March.**
-
- INSET day Friday 31st March so school will close for the Easter holiday's on Thursday 30th March at 12.00pm.
