

Happy 2017! I hope that you had a lovely Christamas break with family and loved ones. The Spring term is going to be fun but very busy - so fasten your seatbelts!

## This Week

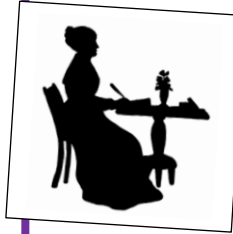

This week in English we have had fun with synonyms. We have learnt how to use a thesaurus to find synonyms. We have created Synonym Snakes which will be displayed on our learning wall.

In Maths we covered **multiplying and dividing by 10 and 100**. We have learnt how the digits shift to the right when we divide and shift to the left when we multiply. We also covered work on tenths.

## Austen Class

### Newsletter

Friday 13th January 2017

### Let's celebrate!

Fine diner: Lily Malam - for polite manners towards adults when getting her food

Proud cloud: Tilly Budds - for being so focused in Maths this week on work done on tenths

### Pre- Learning

We will be learning about sound in Science this term.

This week's Pre-Learning is to help your child think about:

What is sound?

What sounds do we hear in our day to day lives?

What is VIBRATION?

## The Two Steves

KS2 will be having an author workshop on Thursday 19<sup>th</sup> January.

Watch out for the special envelope that each child will receive - **there is a mission to be completed.**

## Reminders for the next week

Tuesday 17<sup>th</sup> January - P.E

Thursday 19<sup>th</sup> January - Author Workshop with the 2 Steves

Friday 20<sup>th</sup> January - P.E - Swimming

Have a great weekend.

Mrs D'Sylva and Mrs Holmes
