

Learning this week.

English- The children have really embraced our new topic of castles. This week we have been looking at the different fairy tales we could think of with a castle in it.

We have been sequencing stories and looking at what happens in the beginning, middle and end.

Maths- This week we have been learning all about addition. We have been doing lots of practical addition and trying very hard to record our number sentences neatly in our maths books.

Castles

We have now started our new exciting topic on castles!. If you have any castle toys, books, models, photos and especially **large cardboard boxes**, please do bring them in. We really want to create a castle role play area so would be very grateful of any donations.
