

This Week

English

This week we have been learning about the features of Traditional Tales. The children have been learning to perform the story 'Jack and the Beanstalk' aloud. The class read a letter from Mrs Wolf, Jack's teacher, asking his mother why he had been absent from school for 3 days. The children enjoyed roleplaying the conversation between mother and teacher using the key language from the story.

Maths

We have been continuing our work on calculations. It is great to see the children growing in confidence each day.

Year 3 Newsletter Friday 17th March

Science

We ended our science topic on light with a wonderful lesson about how light is used in the process of taking photographs. Thank you Pierre!

Let's celebrate!

Proud cloud: *Isobel for persevering with her maths work this week.*

Fine Diner: *Max D for always keeping the table tidy.*

Pre learning

Maths: Next week we will be focusing on subtraction and looking at different written methods we can use to help us subtract.

Our new topic in science is plants. It would be beneficial to your child if you could look at the different parts of a plant with them e.g. roots, stem, leaves and flower.

Have a lovely weekend!

Dates to remember

- PE is every **Monday and Thursday**
- Year 3 Class assembly **Monday 27th March** 09.00 -09.15
- Family Forest day **Saturday 18th March.**
- INSET day Friday 31st March so school will close for the Easter holiday's on Thursday 30th March at 12.00pm.
