

World Book Day

Just to let you know that World Book Day is on Thursday 2nd March. To celebrate their love of reading, the children will be asked to dress up as their favourite character from a book. We look forward to seeing their costumes!

Pre-learning

After half term, in English we will be reading, performing and writing poetry. It would be helpful if you could read some poetry with your child and discuss the exciting vocabulary used in the poem. Also, pick out different features of a poem such as similes and rhyming words.

Professor Pango Mango

This week we were lucky to have a poetry workshop with Professor Pango Mango. They enjoyed listening to him performing different poems.

He also set the challenge to the children to learn a poem off by heart to perform in assembly on Friday 3rd March, if your child would like to. It would be lovely to have as many of the children performing different poems in the assembly.

Fine diner/Proud cloud

Our fine diner is **Inka**. For always being polite when she is eating her dinner in the Dining Hall.

Our proud cloud is **Dexter**. For working really hard in English this week when writing his non-chronological report on Neil Armstrong.

Have a lovely weekend and Half Term! 😊

Mrs Moss

Learning this week

English: This week in English the children have researched information about Neil Armstrong and used this to plan and write a non-chronological report about him. They have written some interesting reports.

Maths: This week the children have been learning about Coordinates. We have learnt about how to read them and write them correctly. One way we used to remember how to read coordinates was to say the saying 'along the corridor and up the stairs.' We had fun using Coordinates when playing Battleships!

Parents Evening letter

You all received a parents evening letter on Wednesday this week. Please remember to return your form as soon as possible so that you can be allocated with a time slot that is convenient for you.
