

World Book Day

It was fantastic to see all the children dressed up as different book characters. The children also enjoyed going to spend time in Reception, Year 1 and Year 2, where they listened to some stories and then did activities based on the book they heard. Thank you to you all for providing the costumes for the children to wear.

Parents Evening

Thank you to all the parents who attended parents evening. It was lovely to meet you all and talk about how well your children are doing.

Fine diner/Proud cloud

Our fine diner is **Emma**. For showing excellent table manners during lunchtimes.

Our proud cloud is **Dexter**. For writing some lovely similes to describe summer

Have a lovely weekend! 😊

Aslan Class Newsletter

Friday 3rd March

Learning this week

English: This week in English we have been using adjectives to describe summer. The children used thesaurus' to help them write more interesting adjectives to describe summer. We then used these adjectives to write an acrostic poem about summer.

Maths: This week the children have been learning about division. We used sharing and arrays to solve division questions and we also looked at questions that had remainders too.

Pre-learning

Science: Next week, we have a Science workshop where we will be looking at what floats. It would be great if you could talk to your children about what floating is. The children could practise with different objects at home to see which ones sink and float.

Things to remember

- ✓ Library books - **Wednesday**.
- ✓ Spelling dictation on Fridays.
- ✓ Please be prompt collecting your children at the end of the school day.
- ✓ Science week starts **Monday 6th March**
- ✓ On **Tuesday 7th March** there will be a Science event in the evening for all the family to enjoy!
