

Fine diner/Proud cloud

Our fine diner is Eddie. He is polite and well-mannered in the dining room.

Our proud cloud is Siyanna. She always has a positive attitude to her learning and tries her hardest. Thank you for having such a mature approach to your learning!

Children in Need

Wear your spots!

Next Friday, please come dressed in spots with a £1 donation for Children in Need.

Fire Station

Next Thursday morning we are going to create the 'Great Fire of Harpenden' at the local Fire Station. We will be leaving school at 8.55am, if you are able to accompany us please let myself or our parent reps know. Consent will need to be given before next Thursday.

Have a lovely weekend! 😊

Pre-learning: Traditional Tales

Over the next few weeks we will be learning about Traditional Tales in English. Please read as many different tales as you can over the coming weeks. Think about the story structure, how the characters are described, how the scene is set, what the problem is, how it is sorted out etc. Also compare Traditional Tales, do they have anything in common or particular themes?

Learning this week

English: This week we continued our poetry learning. The children have looked at poems linked with Remembrance. We have also been learning about the past/present tense.

Maths: We have been learning about Place Value and what each digit in a number represents. We have also looked at partitioning numbers (splitting them into HTU).

Topic: The children have really enjoyed learning about Remembrance day and have created some beautiful clay poppies which will soon be coming home.

Computing: We have started using **Purple Mash** to learn about coding. Please feel free to use Purple Mash at home to reinforce the coding sessions on 'Fish' and 'Bubbles'.

Things to remember
