

## Reading

Please continue to read with your child and record it in their reading record book. Also, please ensure that your child brings in their reading book each day to school.

# Aslan Class Newsletter

## Friday 12<sup>th</sup> May

## SATS

Over the next couple of weeks we will be carrying out the SATS papers. I'll be taking the children out in small groups. I would appreciate if you could keep this low key as we are in school.

## Fine diner/Proud cloud

Our fine diner is **Arran**. For eating his lunch sensibly in the Dining Hall

Our proud cloud is **Danny**. For making a fantastic print of a bird using leaves and twigs at Forest school

Have a lovely weekend! 😊

Mrs Moss

## Learning this week

**English:** This week in English we have continued to learn about Instructions. We made some African Chapati's and wrote the instructions for how we made them. We also enjoyed tasting them!

**Maths:** This week the children have been learning about multiplication and division. We solved word problems for each operation. We used our multiplication facts to solve these questions and when solving the division word problems we used sharing. Then we looked at how we can use our times tables to help solve division questions.

## Pre-Learning

**Maths:** Next week we during maths sessions we will be practising our times tables by singing songs and playing games. It would be beneficial for your child if they could practise the 2, 5 and 10 times tables at home. We will also be counting forwards and backwards in these steps. If your child could practise this too at home.

## Things to remember

- ✓ Library books - **Wednesday**.
- ✓ Please be prompt collecting your children at the end of the school day.
- ✓ Home Learning book to be returned **every Wednesday**
- ✓ Forest school – **Every Wednesday for this half term**
- ✓ Class assembly is on **Monday 26<sup>th</sup> June at 9.00am**
