

World Book Day

Just to let you know that World Book Day is on **Thursday 2nd March**. To celebrate their love of reading, the children will be asked to dress up as their favourite character from a book. We look forward to seeing their costumes!

Learning this week

Next week in English we will be learning about non-chronological reports. It would be beneficial to your child if you could look at different non-fiction books and discuss the features of these books. EG headings, labels, captions etc.

Fine diner/Proud cloud

Our fine diner is Milo. For having excellent manners in the dining hall.

Our proud cloud is Danny. For working with great focus and not giving up in Maths this week when working on fractions.

Learning this week

English: This week the children have planned and written their own version of 'The Magic Finger' by changing where the magic came from EG magic eye and what caused the magic to go off, such as stealing. When writing the children have been asked to think about using a variety of conjunctions and sentence openers. They have written some great stories.

Maths: Our focus in Maths has been on finding fractions of a shape and an amount. We have learned about what a fraction is and what halves, quarters and thirds are. They were able to shade these fractions in different shapes and amounts.

Warm Clothes

As the weather is very cold, could all children make sure that they have a warm coat, hat and gloves to wear during playtimes.

Have a lovely weekend! 😊
