

## Spelling

As you know the children in Year 1 and 2 are expected to be able to spell a certain list of words. It would be great if the children could practise these words at home. This can be done in a fun way.

Such as:

- finding the words in a word search
- making the word out of play dough
- playing scrabble or boggle
- flash cards
- treasure hunt, finding the words
- rainbow writing, writing the word in one colour and going over the word in different colours
- writing in sand or glitter

I have attached the lists to the newsletter so you have a copy of them.

There will be no dictations this half term as we are going to do some grammar work.

## Fine diner/Proud cloud

Our fine diner is **Ben**, for always being polite in the Dining Hall.

Our proud cloud is **Charlie**, for listening in all lessons this week.

Have a lovely weekend! 😊

## Friday 21<sup>st</sup> April

### Learning this week

**English:** This week in English the children have planned and written their own adventure story about a magic pebble. They used what we learnt about writing stories to help them write their own stories. They have written some fantastic stories!

**Maths:** This week the children have been learning about capacity. We learnt what we measure capacity in and also how to read different scales accurately. To practise this we made different potions where the children had to measure different amounts of liquid by reading the scale to create the potions.

## Forest School

Next week, Aslan class, will be going to forest school at the Common. It will be on a Wednesday morning so they will need to have wellies and waterproofs to change into for the session.

We will also need some volunteers to come to Forest school with us. Please let the office know or write in the Link book if you can help.
