

Fine diner/Proud cloud

Our fine diner is Thomas. He is always calm and polite in the dining room, a wonderful role model for everyone.

Our proud cloud is James. He is dedicated to his learning and always challenges himself to achieve high standards, particularly in Maths.

Aslan Class Newsletter

Friday 21st October

Learning this week

English: This week we have been learning about statements, questions and commands. The children generated different types of sentences linked with their work on Samuel Pepys diary.

Maths: We have been learning about multiplication and arrays. The children have really impressed me with how quickly they understood this concept. Well done Aslan class!

Topic: We designed and made our Tudor/Stuart houses out of junk modelling. They look beautiful! After half term we are arranging with Harpenden Fire station to go and burn our model houses to create 'The Great Fire of Harpenden'.

Harvest

What a wonderful collection for 'Signposts'! I want to thank you on their behalf for your generous donations, they were very much appreciated.

Great Fire of London Workshop

This was an engaging and fascinating workshop that the children really enjoyed. It captured perfectly the events of 1666 and the children participated beautifully in the interactive story-telling.

Sharing Afternoon

Thank you so much for coming in and seeing the fantastic learning that your children have been busy doing since September. We look forward to welcoming you to look at their books again during the Parents' Evenings. **All Parents' Evening time slots have now been sent home.**

Have a lovely half term break! 😊

Mrs Johnston and Miss Toms

Spelling

After half term we will be sending home some of the 'common exception words' for Year 1 and Year 2 for the children to learn each week as part of their home learning. These will then be tested on a Friday during a dictation so that the children are applying their spellings in a context. The first of these will be sent home after half term.

Things to remember

- ✓ Please wash PE kits over half term and return them ready for the PE session on Tuesday.
- ✓ No Home Learning over the holidays, please have a restful and enjoyable break.
- ✓ Library books to be returned each **Wednesday** please.
