

Parent Helpers

By now an email will have been sent to you from the class reps asking for volunteers to help take the children off site next half term.

If you could let your class rep's know if you are available to help we would really appreciate it.

I know that some people would like to volunteer who have got younger children but unfortunately we are not able to include parents with smaller children in our ratios.

Thanks in advance.

Changes in weather

As the weather keeps changing on a daily basis it would be great if your child came to school with both a sun hat and a rain coat. Especially since we will be going off-site regardless of weather. Thank you!

Fine diner/Proud cloud

Our fine diner is **Auden**. For being sensible and polite at lunchtimes.

Our proud cloud is **Ben**. For a great explanation about why addition is commutative and subtraction is not.

Have a lovely weekend! 😊

Friday 26th May

Learning this week

English: This week in English we have written a story based on the book 'Billy's bucket' by Kes Gray and Garry Parsons. We thought about what could be in our bucket and then we planned our own story. Then we used our plan to write a story about our bucket and the purpose of the story is to entertain the reader.

Maths: This week we have been learning about addition and subtraction. We learnt that addition is commutative and subtraction isn't. We also practised using a number line to subtract numbers and we also counted on along a number line when we were finding the difference.

Pre-Learning

English: After Half Term we are learning about the features of letters, how letters are set out, language used and how to write a letter. It would be a benefit for your child to look at different types of letters you might have at home. Then discuss with them how the letter is set out and language used. Talk about how a letter is started and closed off.

Things to remember

- ✓ Library books - **Wednesday**.
- ✓ Please be prompt collecting your children at the end of the school day.
- ✓ Home Learning book to be returned **every Wednesday**
- ✓ Class assembly is on **Monday 26th June at 9.00am**
