

Author

On Monday, we were lucky to have an assembly with author Eamonn Reilly. They enjoyed listening to him telling them stories. We also got to ask him questions at the end, where we found out how he became an author.

Whipsnade

A reminder that the trip to Whipsnade Zoo is on Thursday. The children will arrive at school at normal time and be picked up at normal time. All children must come in school uniform and bring a packed lunch in a plastic bag.

Fine diner/Proud cloud

Our fine diner is **Charlotte**. For having excellent manners in the dining hall

Our proud cloud is **Arran**. For working with enthusiasm and focus during our Forest school session

Have a lovely weekend! 😊

Learning this week

English: This week in English we have been learning about instructions. We have internalised a set of instructions by drawing pictures and putting actions to them. We have used this set of instructions to look at the features of instructions by highlighting the imperative verbs, time conjunctions and sub-headings. To understand that instructions need to be in order we had a set of instructions that were 'muddled up' which we had to put in order by using the time words to help.

Maths: This week the children have continued to learn about capacity. We learnt how to read different scales and that not all scales are the same so we must look at what the numbers are going up in. Then we used this knowledge to solve capacity word problems.

Pre-Learning

Maths: Next week we are learning about doubles and halves. It would benefit your child to discuss what 'doubling' means and 'halving' means. Also, a fun way to practise recalling doubles and halves of numbers is to play Bingo or throwing a ball, where one says a number and the other says the answer. EG Double 10, that's 20 or half of 20, that's 10.
