

Sports Day

Next Friday (7th July) is sports day.

The children need to come into school in their PE kits with the coloured top of their family group (no football shirts please). The children will need a water bottle but will not need to bring anything else to school (eg: link books, book bags etc).

Please look at the weather to decide if your child will need a waterproof coat, we will still be going in the rain.

If your child is packed lunch, please send them in with a disposable lunch or they will have to carry their lunch box to the Football club.

All children will be picked up from Harpenden Town Football club at 2pm.

Fine diner/Proud cloud

Our fine diner is **Ben**. For always waiting patiently for his lunch

Our proud cloud is **Lydia**. For persevering when making her print using card and string. Well done!

Have a lovely weekend! 😊

Learning this week

English: This week in English we have been continuing to learn about Explanation texts. We have been searching the internet to find out information about why it gets colder when you go further up Mount Kilimanjaro. Then we used the information to plan our explanation.

Maths: This week we have been learning about subtraction. We have been looking at different methods to solve subtraction questions. We have learnt the crossing out method, counting back using a hundred square, partitioning and the column method. We also discussed place value during this week too.

Pre-Learning

Maths: Next week we will be learning about money. It would be beneficial to talk to your child to practise counting in backwards in different steps, such as 2, 5 and 10s to help with counting out coins. If you have coins at home get your child to count them and discuss the names and value of the coins. This can be done with the notes too.
