

## Fine diner/Proud cloud

Our fine diner is Charlotte. She has settled in very quickly to our lunch time routine and has promoted polite conversation at the dinner table.

Our proud cloud is Arran. This week Arran has impressed many teachers with his different skills across the curriculum. Well done!

## Friday 7<sup>th</sup> October

## Jump Workshop

Next Thursday the children will have a JUMP workshop which will enhance their Religious Education learning on Signs and Symbols.

*'Jump! is a ministry of the Parish of Harpenden (St Nicholas, St Mary's and All Saints' Churches) and is a team of volunteers, led by Natalie Edwards, that visit local primary schools with the aim of delivering fun and pacy RE lessons that compliment the Herts Agreed Syllabus for RE.'*

## Library

Please return any outstanding books from last year so that your child can start borrowing books again. We will be starting library sessions next week when children will be able to check out one book to bring home.

## Feeling Good Week

We have certainly felt good this week! We have had an exciting time with a wide range of engaging activities.

We started with **Crick Crack theatre**. In this we took part in an interactive story about a Honey Mouse who met lots of different birds. Honey Mouse was desperate to become a beautiful singer and wanted to know what made these birds sing so sweetly. **Danny** was the star of the show and represented Aslan class as Kookaburra bird! Look out for our special display frame going into the cloakroom soon.

The week continued with adventurous circus skills, the creation of incredible rockets and a superb dance session. We ended the week with Chocolate tasting, which was the perfect end to a wonderful week!

## Learning this week

This week we have retold the story of the Gruffalo focusing on the use of fronted adverbials of time e.g. next, after, then, as soon as, meanwhile.

In Maths we have been learning about Money. The children set up a shop and found totals/worked out change.

## Things to remember
