

Thank you

Please, can I say a huge thank you to all of the parents who have supported us on our off site visits this week.

This has made a huge difference to the children to be able to get the chance to play outside at lunchtime. This has only been able to happen because you have supported us by giving up your free time to come with us.

Thank you again.

Class Assembly

A reminder to say that Aslan and BFG's class assembly is on Monday 26th June at 9am. It would be great to see you all there.

Fine diner/Proud cloud

Our fine diner is **Thomas**. For being sensible and polite at lunchtimes.

Our proud cloud is **Kshirin**. For drawing a detailed text map of our class explanation text. Well done for including conjunctions and organised into paragraphs.

Have a lovely weekend! 😊

Mrs Moss and Mrs Parker

Aslan Class Newsletter

Friday 16th June

Learning this week

English: This week in English we have been learning about Explanation texts on 'Why is it hotter near the equator' and we have internalised a class explanation text by using actions and words. We have been working on using the language in an explanation text by interviewing a Geographer on Newsround and phoning a friend.

Maths: This week we have been learning about addition. We have been looking at using partitioning to add numbers together. We have been using what we know about adding ones to help us add tens and we discussed the rule. We talk about that it is more than adding just a 0. This led to a discussion about place value of numbers when we add 10s numbers.

Pre-Learning

Maths: Next week we will be continuing to add numbers. We will still focus on the place value of numbers. It would be beneficial to talk to your child about how many tens and ones are in a number. This will also help them when we move onto subtraction later on in the week.

Things to remember

- ✓ Library books - **Wednesday**.
- ✓ Please be prompt collecting your children at the end of the school day.
- ✓ **PE every Tuesday and Friday**
- ✓ Home Learning book to be returned **every Wednesday**
- ✓ Lunch at Lydekker park **every Monday**
- ✓ Class assembly is on **Monday 26th June at 9.00am**
