

Music Festival

On Tuesday we had a fantastic afternoon at SJL for a KS1 Music Festival. It was great to sing all the songs we had been learning in class with 5 other schools. We sang them with actions and some of them in a round. The children had great fun and were a pleasure to take. Also, thank you to the parents that helped us on Tuesday. It was very much appreciated.

Learning this week

English: This week in English we have been continuing to learn about Explanation texts. We have planned and written our own explanation text about Why it is colder further up a mountain. We made sure that we included all the main features of an explanation text such as causal conjunctions and topic words.

Maths: This week we have been learning about money. At the beginning of the week we wrote down what we knew about money and what mathematical language we knew for money. We have been looking at the coins and notes that we have in the UK. We have counted different amounts of money and found different ways to make different amounts.

Pre-Learning

Maths: Next week we will be continuing to learn about money. We will be focussing on giving change. It would be beneficial if you could talk to them about what change is. When buying something at the shops ask your child what change you will get back. Get them to calculate it before the change is given to them. You could also get your child to count the change to check that it is correct.

Moving up Afternoon

On Thursday 13th July, we will be having our moving up afternoon. We will get the opportunity to spend some time in our new classes. We are really looking forward to it!!!

Fine diner/Proud cloud

Our fine diner is **Elsie**. For always waiting patiently for his lunch

Our proud cloud is **Danny**. For working really hard on his handwriting, especially on joining his letters.

Have a lovely weekend! 😊
