

## World Book Day

Just to let you know that World Book Day is on Thursday 2nd March. To celebrate their love of reading, the children will be asked to dress up as their favourite character from a book. We look forward to seeing their costumes!

## RE workshop

This week we were lucky to have Sonny's mum from BFG class to talk to the children about Sikhism and Sikh's special place as part of our topic in RE. She also told them about the Golden Temple and why it is a special place to Sikhs. The children then made their own Golden Temple to remind them that it is special place for Sikhs.

## Fine diner/Proud cloud

Our fine diner is **James**. For always being sensible in the Dining Hall when eating his lunch.

Our proud cloud is **Charlotte**. For working really hard in Maths this week when working with fractions of an amount.

## Have a lovely weekend and Half Term! 😊

**Mrs Moss**

# Aslan Class Newsletter

## Friday 24<sup>th</sup> February

## Learning this week

**English:** This week in English we have read and performed the poem 'Bed in Summer' and highlighted the key words in the poem, such as rhyme, verbs and adverbs. We used describing words to compare summer and winter.

**Maths:** This week the children have been learning about fractions of amounts. We had fun creating our own fraction museum using different objects to represent different fractions. We even were able to write what the equivalent fractions were too!

## Parents Evening appointments

You all will have received your times for Parents Evening in your child's link book. Please let me know if you have not received this.

## Pre-learning

**Maths:** Next week, we will be learning about division. It would be great if you could talk to your child about what division is. Encourage your children to share out their sweets/cakes between different amounts of people. Practise sharing using counters or other objects in to groups of 2, 5 or 10.

## Things to remember

- ✓ Library books - **Wednesday**.
- ✓ Spelling dictation on Fridays.
- ✓ Please be prompt collecting your children at the end of the school day.
- ✓ World Book Day is **Thursday 2<sup>nd</sup> March**
- ✓ Science week starts **Monday 6<sup>th</sup> March**
- ✓ On **Tuesday 7<sup>th</sup> March** there will be a Science event in the evening for all the family to enjoy!
