

This Week

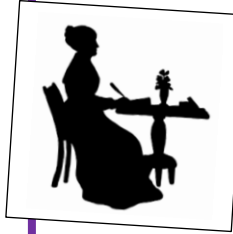

This week in English we studied the poem "Stream School" By Peter Vacz. The poem is told through an animation. We learnt what a synopsis was and wrote one about Peter Vacz. We looked at the language in the poem and touched on his use of personification.

In Maths we have spent the week on Data Handling. We have learnt how to collect, record and interpret data. We have constructed bar charts, bar-line graphs, line graphs and pictograms.

Austen Class

Newsletter

Friday 10th February 2017

PLEASE DON'T FORGET.....

Please note that after the half term there will no longer be swimming on Fridays for Austen class.

The children have enjoyed the swimming sessions and all have made good progress.

Thank you to those parents who took time out on a Friday morning to help escort Austen Class to the swimming pool.

Pre- Learning

For the first 2 weeks after the half term we will be looking at poetry. Please take the time to share some poems with your child. Do they understand what the poet is conveying? What language features does your child recognize in the poems?

Let's celebrate!

Proud cloud: Harrison -for being so optimistic with his learning and attitude this term.

Proud cloud: Digby - for being so conscientious with his learning in school and at home this half term

Reminders for the next week

Half Term: 13th - 17th February

School starts Monday 20th February

Tuesday 21st February - P.E

Friday 24th February - **NO SWIMMING**

Have a great Half Term

Mrs D'Sylva and Mrs Holmes
