

This Week

This week in English we have used the features of explanation texts to plan and write our own. We had great fun watching Wallace and Gromit's Cracking Contraptions and then designed our own contraptions, explaining how they work.

In Maths we have covered multiplying using the Grid Method. We also looked at using facts we know to work out facts we don't know.

On Tuesday we had a special person visit Austen Class to talk about Remembrance Day. We had lots of questions to ask and enjoyed listening to the answers.

Friday 11th November

Home Learning

In Science next week we will be learning about the 3 states of matter and we will be asking the children to tell us what they know. Please can you discuss this with your children and help them identify what the three states of matter are.

Let's celebrate!

Fine diner: Luca - for showing good manners at the lunch table.

Proud cloud: Oscar - for putting in 100% effort with his learning this week.

Link Folders and Reading Folders

Please help your child to remember that they must bring their link folders to school every day. It is an essential tool to link school and home.

It is also very important that your child brings their reading book and folder to school each day too.

Reminders for the next week

Tuesday 15th November - P.E as usual

Thursday 17th November - Yarn bombing

Friday 18th Nov - Swimming as usual

Children in Need

Wear your spots!

Next Friday, please come dressed in spots with a £1 donation for Children in Need.

Have a great weekend.

Mrs D'Sylva and Miss De Costa
