

This week

This week we have thoroughly enjoyed 2 days of sewing. The children put in 100% creative effort into their book designs and letters.

A big Thank You to all of the adults who gave their time to come in and help.

With the designs now finished we wait with anticipation for the finished product-a banner which will hang in the school library.

Maths and English

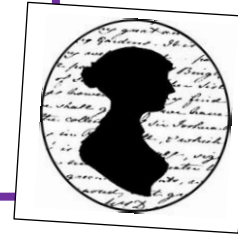

Next week in Maths we will continue to explore 2D and 3D shapes. We will be working hard to ensure we can apply and use the mathematical vocabulary needed to describe the properties of 2D and 3D shapes.

'In English we will be using the features of Non - Chronological reports to write our own report.
