

This Week

This week in English we looked at the book 'SHORT' by Kevin Crossley-Holland. We enjoyed reading the very short stories and identified the features of the different genres of stories. The very shortest story was only one sentence long!

In Maths we revisited the written methods of **addition** and **subtraction**. We have remembered that we can use the **expanded** or **compact method** for adding and for subtracting we can use a **number line** or the **decomposition** method. We were able to solve word problem

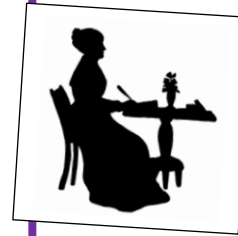

Let's celebrate!

Fine diner: **Sebastian** - for polite manners at the dining table

Proud cloud: **Jake** - for putting in 100% effort into his maths challenge tasks this week

Austen Class Newsletter

Friday 20th January

Pre-Learning

We will be learning about sound in Science this term.

This week's Pre-Learning is to help your child think about:

What weather is?

Help your child look at the different symbols associated with weather forecasts.

Reminders for the next week

Tuesday 24th January - P.E

Friday 27th January - P.E - Swimming

The Two Steves

A very BIG Well Done to Elliot and Digby, who were the Austen Class winners of the 2 Steves Story Mission. They enjoyed meeting the two authors and even shared lunch with them. Well Done to Sebastian, Oliver, Luca, Tilly, Toby and Jake for entering the competition too.

Have a great weekend.

Mrs D'Sylva and Mrs Holmes
