

This week

This week we have thoroughly enjoyed our Science lessons on Electricity.

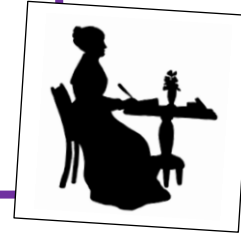

A big Thank You to one of our Dads, who came in last Friday to introduce the class to the topic. Fun was had learning about circuits using VERY large wires and lightbulbs.

Austen Class

Newsletter

Friday 21st October

Home Learning

There is NO home Learning this week.

Next term Home Learning will take on a different format. The tasks will be given the week BEFORE the actual learning in class. This Pre-Learning will give your child an advantage, as they will hopefully have some prior knowledge of the subject matter or vocabulary beforehand.

Let's celebrate!

Fine diner: Elliot Jewell - for showing good manners at the lunch table.

Proud cloud: Sebastian Kelly- for using ALL aspects of P.O.W.E.R this week.

Link Folders

Please help your child to remember that they must bring their link folders to school every day. It is an essential tool to link school and home.

Reminders for the first week back

Monday 31st October- Back to school

Tuesday 1st November - PE as usual

Thursday 3rd November - Year 4 and 4/5 Trip to Hatfield House

Friday 4th Nov - Swimming as usual

Have a safe and enjoyable half term

Mrs D'Sylva and Miss Da Costa
