

This Week

This week in English we looked at the features of suspense stories. We watched the animation "ALMA", which had a surprising twist at the end.

In Maths we continued with addition and subtraction. We also looked at positive and negative numbers on a thermometer.

Let's celebrate!

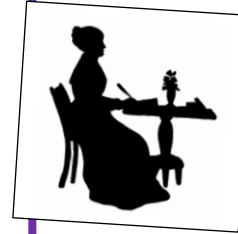

Fine diner: **Erin** for exhibiting excellent table etiquette.

Proud cloud: **William** for his creative work in English. Writing to hook the reader in.

Friday 27th January 2017

Pre-Learning

We will be learning about Data Handling in maths next week. It would be beneficial for you to help your child look at how information can be recorded in a variety of ways - **Tally charts, Frequency tables, Bar charts, Line graphs, Pictograms and pie charts.**

In Art we will be looking at **Primary** and **contrasting** colours. Help your child find out what they are.

Reminders for the next week

National Storytelling Week - all week

Tuesday 31st January - P.E

Friday 3rd February - P.E - Swimming

Jan 28th - 4th Feb 2017

Next week is National Storytelling Week. To get involved in this, parents have been invited to come into school to **TELL** a story (rather than **READ** a story!). It would be great for the children to hear stories from different cultures. It could be a story that you have made up too!

Story telling will be taking place each afternoon next week, for the last 20 minutes of the day (3.00-3.20pm). If you are able to come and story tell please let me know via the office or through the Link Folders.

Have a great weekend.

Mrs D'Sylva and Mrs Holmes
