

This Week

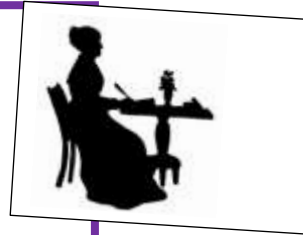

This week in English we have worked hard on reinforcing our grammar skills. We worked on prepositions, adverbials and the possessive apostrophe. We are now fully equipped to apply these in our writing!

In Maths we covered **Time**. We worked hard on working out time duration using a numberline and applied our knowledge to real life situations - using TV guides and timetables.

Austen Class

Newsletter

Friday 2nd December

Pre- Learning

This week's Pre-Learning is to help your child with fractions. The vocabulary to work with your child on is **DENOMINATOR** and **NUMERATOR**.

Reminders for the next week

Tuesday 6th December - P.E as usual

Friday 7 December - there will be **NO SWIMMING** as children will be going to the local pantomime or having a festive event in school. School will finish at the slightly later time of 2.30pm.

Heartwood Forest Trip

The trip to Heartwood forest was great fun. The children enjoyed planting the Silver Birch trees. They were very proud knowing that they were doing something very important to help the environment. Despite the very muddy conditions, Austen class children managed to plant about 100 trees.

WELL DONE Austin Class!

Let's celebrate!

Fine diner: Sapphira - for showing good manners at the lunch table.

Proud cloud: Szymon for working really hard on his grammar skills this week.

Have a great weekend.

Mrs D'Sylva and Miss De Costa
