

Science Week

We have had a fun filled week taking part in lots of different science activities. The week started with us going into the Moon Dome and finding out about the Moon, Sun, Stars and Space. Later in the week we had a Science workshop run by Mark from Hands on Science, where we investigated whether things float and why. We have also done other science experiments. As part of our Science topic we planted Cress seeds and discussed what will make a healthy plant.

Fine diner/Proud cloud

Our fine diner is **Angus** for always being sensible in the Dining Hall when eating lunch.

Our proud cloud is **Ibrahim** for using great vocabulary when talking about scientists and experiments. Well done!

Have a lovely weekend 😊

Mrs Worts and Mrs Bowyer

BFG Class Newsletter

Friday 10th March

Learning this week

English: This week in English we have researched Thomas Edison and Marie Curie. We have used our research to write non-chronological reports. We have tried to use lots of scientific vocabulary and vary our sentences to make the writing interesting.

Maths: This week the children have learnt how to solve addition, subtraction, multiplication and division questions. We talked about the vocabulary we use for each operation and what the signs look like. Then when reading the number sentences we circled the sign to know what operation it was before solving the problem.

Pre-learning

English: Next week, we will be starting a unit of work on Jack and the Beanstalk. It would be a benefit to your child if you read the story together and discussed what happens in the story, the characters and how the characters have been described.

Things to remember

- ✓ Library books - **Wednesday.**
- ✓ Spelling dictation on Fridays.
- ✓ Please be prompt collecting your children at the end of the school day.
- ✓ Family Forest day **Saturday 18th March**
- ✓ INSET day **Friday 31st March** so school will close for the Easter holiday's on **Thursday 30th March at 12.00pm.**
- ✓ Please donate eggs for the Easter Egg Hunt. The lovely ladies will be collecting before and after school.
- ✓ Thank you to the Governors for an exciting archery afternoon!
