## Friday 14th July

### Learning this week

**English:** This week in English we have been continuing our learning about explanation texts. We have looked at different parts of a bike and made a glossary, researched how to ride a bike and begun writing our very own explanation text. We are trying to use lots of technical vocabulary, conjunctions and features of an explanation text.

**Maths:** This week we have been learning about money. We have been learning about how we count coins and notes. We have also been working out different ways to make amounts of money, e.g. £1.00, we can also make it with a 50p and 50p or 10 x 10p. We have also begun to look at finding change.

## African Workshop

On Monday morning, we have an African music workshop at the Common. We will be leaving at 10.00 and will be back at school by 1.30. The workshop will finish at 12.00 but we want to have lunch there so that the children can have a play afterwards. This means that all children must come to school with a packed lunch on Monday. They will also need a hat or waterproof jacket, depending on the good old British weather!
