

Spelling

As you know the children in Year 1 and 2 are expected to be able to spell a certain list of words. It would be great if the children could practise these words at home. This can be done in a fun way.

Such as:

- finding the words in a word search
- Making the word out of play dough
- Playing scrabble or boggle
- flash cards
- Treasure hunt, finding the words
- Rainbow writing, writing the word in one colour and going over the word in different colours
- Writing in sand or glitter

I have attached the lists to the newsletter so you have a copy of them.

There will be no dictations this half term as we are going to do some grammar work.

Fine diner/Proud cloud

Our fine diner is **Nikandros** for always being polite in the Dining Hall

Our proud cloud is **Jayden** for settling well into the class routines and trying hard with his work

Have a lovely weekend! 😊

Learning this week

English: This week in English the children have planned and written their own adventure story about a magic pebble. They used what we learnt about writing stories to help them write their own stories. They have written some fantastic stories!

Maths: This week the children have been learning about capacity. We learnt what we measure capacity in and also how to read different scales accurately. We had a go at estimating and measuring practically.

RE: We talked about the important people in our lives and why they are important. We also talked about people in authority and why they are important. We discovered that the most important people in our lives are our families, even our pesky siblings!

Parent Helpers

We are going to have a push on reading this half term and would appreciate help from parents with this. If you could spare some time to listen to readers it would be very much appreciated.

Please could you ensure that any reading at home is recorded in the Reading Record so that we can see when books need changing or if we need to have a look at something. Thank you.
