

This week

At the beginning of the week we enjoyed a maths budgeting lesson. We were working collaboratively to choose what resources and designs we wanted for our new calming zone on the playground. We think our ideas are great and we can't wait to see it all when it is done!

We started our new Unit of Work in English – 'Mystery and Suspense'. We had to play detective and solve the mystery of missing Marmite Monkey... ask us all about it to find out who the guilty culprit was!

Special mention to...

Our proud cloud this week goes to Tait for showing perseverance in her maths work this week – a real Matilda attitude to learning!

For our Fine Diner this week goes to Chloe who was nominated by many of her peers for being so helpful to the little ones at lunch – what a great role model!

Dahl Class Newsletter

Friday 14th October

We hope you all have a fun filled weekend! 😊

Mrs Gilham, Mrs Foster, Mrs Bird and Mrs Holmes

Sewing Spectacular Photos

We sewed our little socks off this week; creating a fabric wall display for the library. Watch this space!

Reminders

Christmas cards

The final date for ordering your child's Christmas cards online is Monday 17th October - any orders after this can't be processed through school.

Harvest Festival

Assembly at 9am Friday 21st October where all are welcome!

Please donate tinned foods (or foods that keep) into school before this date so that we can donate it to local charities after the event. Thank you!
