

This week

Our highlight of the week was having parents and siblings come in to tell us a story at the end of each day, it was great to hear them all, thank you.

A special mention to our Proud Cloud this week who is Luca. Mrs Foster has noticed a significant difference in his attitude and attention to learning since coming back from her placement – well done Luca!

Our Fine Diner award this week goes to Sara for using lovely manners in the lunch hall.

Our Scientist of the week is Natalia for great scientific knowledge of pollination. We have started a new unit in science 'Living things and their habitats' and we have already discovered loads of new information!

Pre learning

This week's pre learning/ pre viewing is: Maths: We are looking at timetables next week. Take a look at some examples of time tables (e.g. bus, train, swimming pool, etc.)

English: We will be writing to build tension next week. Maybe take a look at the recent news on the election and how tension is currently building.

Dahl Class Newsletter

Friday 21st April

We hope you all have a super weekend!

Mrs Gilham, Mrs Foster and Mrs Holmes

Maths and English

This week in maths the children have been learning about line graphs. We have been looking at how to interpret information from line graphs and how to analyse the data.

In English this week, we started looking at the story of Icarus which fits in as part of our new topic for the term 'Groovy Greeks'. We have learnt the story using actions to follow the 'Talk for writing' process and we have also analysed the characters that we have met by use of role play and emotions graphs.

REMINDERS!

Punctuality

Lateness is a key area for development across the school, we are still finding that Dahl class has lots of late children, please encourage your child to be in and seated at their desk by 8:45am latest. Thank you 😊

Swimming

Please ensure you send your child to school on a Friday with their named swimming kits – there are still a few who are forgetting their kits which means we have to chase them up on the day.

Reading

Children are expected to read at home on a daily basis. Please record in their blue books if you have heard them read so that we have a record of it. It is also beneficial to ask your child questions about the text they are reading to help with their comprehension.

Home Learning

Home learning is sent out on a Friday and due back in on the following Wednesday to be marked. Please ensure care and pride is taken in your child's work as we like to use some of it for displays.

Spellings

Spellings are put in the front of their home learning books every Friday and we test them on the following Thursday.
