

## This week

This week we have engaged in problem solving during maths by putting our column subtraction and addition skills into practice when solving word problems.

We finished our Unit of Work in English - 'Mystery and Suspense'. All the children have written fantastic stories, lots of them had us on the edge of our seats!

## Special mention to...

Our proud cloud this week goes to Zachary for showing perseverance and trying his best. He was also nominated by several children in the class for being so kind and a great friend!

For our Fine Diner this week goes to Lucia for modelling good table manners through the correct use of her cutlery. Also a mention to Chloe for earning her pen licence this week for consistently having beautiful handwriting!
