

This week

Our highlight of the week was seeing Dahl classes brains grow during science as they all learnt from their mistakes. Their faces when they filtered the water and got clean water was amazing!

A special mention to our Proud Cloud this week **Felix**, for persevering in English and choosing to re write his diary entry to up level all of his writing! Well done Felix.

Our Fine Diner award this week goes to **Rose** for having consistent beautiful table manners, and setting a fantastic example to younger children

Pre learning

Thank you to those parents who worked with their children on time, this showed in their metal maths test this week.

This week's pre learning/ pre viewing is:

- Some more post learning, please could you help your child to know the definitions of a noun, verb, adjective, adverb, determiner, conjunction and preposition.
- And Pre learning, we will be looking at co-ordinates in maths next week, please can you look over co-ordinates, where points are on a grid, how to write a coordinate and drawing shapes on a coordinate grid.

Dahl Class Newsletter

Friday 25th November

Dahl Class Scientists

On Wednesday afternoon we continued with our science topic Changes and Properties of Materials. We linked Science to Topic and created a polluted river, of which there were many in Tudor times. We then used sieving and filtering to get clean water back from our 'polluted' water, some groups did it! The buzz through the classroom was fantastic! Special mention to our Scientist of the week Oscar, his enthusiasm to use scientific vocabulary was excellent.

Heartwood Forest Trip

On Thursday next week (1st December) we are going to Heartwood Forest on our school trip between 11.30am and 1pm. Parent helpers will get a note in their child's link book next week with details, thank you in advance. All children are to bring a change of clothes for the trip and are to come into school in their school uniform. **All children MUST have a waterproof coat, waterproof trousers, wellies and gloves.** There is a high chance it will rain next week and we will be going whatever weather. Please can send your child in with a packed lunch which we will eat when we get back to school.

JUMP Workshop

Next Friday we have a JUMP workshop in school the children will be learning about light and its significance in Advent and Christmas.

Maths and English

This week in maths the children have been learning about written multiplication using the grid method and moving onto long and short multiplication.

This week we have in English we have still been leaning about the book Beware of the King. We have been writing Diary entries as if we are Anne Boleyn.

Christmas Dates

The festive season is nearly upon us and we have many exciting events lined up!

Friday 2nd December (pm) we are welcoming parents into the classroom to help us decorate. Please let myself or our parent reps know if you are able to help. Please can we ask for donations of Christmas decorations to make our classroom bright and festive. We would be grateful for anything - tinsel, baubles, a Christmas tree, ornaments. Thank you!

Friday 9th December (pm) some children will be going to the local pantomime, those staying in school will be having a festive event. School will finish at the slightly later time of 2.30pm.

Wednesday 14th December - KS1 Christingle Service held in the school hall during the afternoon. Time to be confirmed.

Friday 16th December - Christmas Jumper Day! Please come wearing your Christmas jumpers.

Monday 19th December - KS1 Christmas party (pm). Children are welcome to bring party clothes in a named plastic bag to change into during the afternoon. Please can all children 'bring a plate'. This is a disposable plate wrapped in cling film with a few festive snacks on for your child to enjoy during the afternoon. Please no nuts.

Tuesday 20th December - Christmas lunch

We hope you all have a super weekend! 😊

Mrs Gilham, Mrs Foster and Mrs Bird
