

This week

Our highlight of the week was starting our new book, Goodnight Mister Tom. The children have been so engaged with the story!

A special mention to our Proud Cloud this week who is Zak for always encouraging other children and for making people feel special.

Our Fine Diner award this week goes to Oscar, for helping the younger children in the lunch hall.

Pre learning

This week's pre learning/ pre viewing is:

- As we continued with Division this week to consolidate the children's learning, we will be moving on to fractions in maths next week. Please talk through fractions with your children – there are also lots of fractions games, reading and quizzes on the BBC Bitesize KS2 website.
- Can you tell your child a story, or could they tell you a story linked to our storytelling week next week.

Dahl Class Newsletter

Friday 27th January

We hope you all have a relaxing weekend! 😊

Mrs Gilham. Mrs Foster and Mrs Bird

Maths and English

This week in maths the children have been consolidating their learning of the short and long division method. As it's a very tricky concept to grasp we have continued for another week so all children can deepen their learning, this has been very beneficial and now the children understand and can apply the methods.

This week in English we have started reading Goodnight Mister Tom. The children have been really engaged with the start of the story. We have analysed the opening and written character descriptions. Thank you to the parents who have bought their child a copy of the book, it is really beneficial to the children as they are able to read along.

National Storytelling Week

Next week is National Storytelling week, we will be having students from Sir John Lawes Drama Department coming down to engage us in a workshop linked to our European topic.

We are looking forward to having parents and friendly adults come in and tell us their own stories.

Sponsored Read

We are aiming to sign off a read a day in school time. However, this doesn't always happen. Please keep reading with your children as much as you can at home, they have really engaged with the sponsored read 😊

Warm Clothes

It has been really cold this week and a few children have come into school without a coat. Please can you make sure that your child has suitable warm waterproof clothing as they will be going outside for break and lunch time.
