

### This week

Our highlight of the week was planting trees at Heartwood Forest, we were so lucky that the sun shone for our visit we all had a fantastic time!

A special mention to our Proud Cloud this week Eli, for continually improving with his attitudes to learning and effort to his work.

Our Fine Diner award this week goes to Jackson for being a fantastic helper in the dining hall on his duty.

### Pre learning

This week's pre learning/ pre viewing is:

- Can you write some simple sentences and up level them by adding lots more description, this is to prepare for our description writing in English next week.
- In Maths next week we are problem solving, can you bring Maths into your everyday lives, dropping little problems in here and there. For example- If you go shopping what is the total cost of three items?

### Spellings

Just a quick reminder that spellings go out on a Friday (tucked into the front of home learning books) and the test is on a Thursday.

# Dahl Class Newsletter

## Friday 2<sup>nd</sup> December

We hope you all have a super weekend!

Mrs Gilham, Mrs Foster and Mrs Bird

### Maths and English

This week in maths the children have been learning about co-ordinates and have plotted polygons and translated shapes.

This week we have in English we have still been leaning about the book Beware of the King. We have written a timed diary entry from King Henry VIII. Everyone blew us away with their creativity and beautiful handwriting!

### Dahl Class Scientists

On Tuesday this week, we were insulating boiling water with different materials, whilst recording the decreasing temperature. We found out that material was the best thermal insulator and to our surprise fleece was the worst thermal insulator.

Our scientist of the week this week was Josie, whose enthusiasm for Science has grown over the past few weeks and is always ready to answer questions.

### Heartwood Forest Trip

On Thursday, we all went to Heartwood Forest to volunteer to plant trees. We all came together and worked as a great team, we planted 145 trees as a class, great work!! Thank you to our parent helpers, you were fab! Here are some photos of our great day.
