

Learning this week.

English- This week we have created our very own castle fact book and Mrs Aylott is in the process of publishing it. (sticking our pages into a book!) We talked about the facts we have learnt, and then recorded them in our very best handwriting.

Maths- This week we have been learning 3D shapes. Ask us what a tetrahedron is!

Highlight Of The Week -Listening and appraising MC Hammer's 'can't touch this' I hope they all got you dancing along at home!

Professor Pango Mango

We had such fun in Professor Pango Mango's Poetry workshop. We listened and joined in with some creative poetry, the children were so engaged that they have asked to write their own!

Elmer Class Newsletter Friday 10th February

Fine diner/proud cloud

Our proud cloud is: **Yosir** for trying so hard with creating her own fairy tale and preserving with her handwriting.

Our fine diner is: **Harry Templman** for his impeccable table manners.

Have a restful half term 😊

**Mrs Aylott, Mrs Ankers, Mrs Ross
and Mrs Bowyer.**

Next half term

We thought it might be helpful to have a general overview for next half term.

Week 1 - Poetry focus

Week 2 - Poetry focus

Parents evening - 28th February and 2nd March.

World book day also 2nd March - You will need a costume based on a character

FROM A BOOK

Week 3 -Science week

Tuesday 7th Science evening activity

Week 4,5 & 6 - Jack and the Beanstalk -
Talk for writing.

Elmer Class assembly 13th March.

No school 31st March

Pre-learning:

After the half term we will be looking at poetry. In particular rhyming couplets, can you spot any rhyming couplets in your books at home?

Things to remember.

- ✓ **Monday** - PE kit to stay in school please.
- ✓ **Wednesday** - Home learning in.
- ✓ **Thursday**- Library books returned.
- ✓ **Friday** - Home learning set.
