

Learning this week

English This week we have made one change to the story of lost and found, in order to create our own version. We decided to create a character change and the results have been hilarious! Instead of finding a penguin, the boy found a banana, a marshmallow puppy, and Mrs Aylott's Mum!

Maths We have been looking at data this week, and using statistics. We found creating a tally chart very exciting, and used the data gathered to create a bar chart! We were gathering data on when everybody's birthdays are, and now have a birthday bar chart on display.

Highlight of The Week - We have continued to develop our Antarctic display outside our classroom, the children know they are allowed to create and add a penguin as they wish to do so. The penguins are slightly taking over now, and are even riding a hot air balloon! It is lovely to see the children so engaged with this topic.

Elmer Class Newsletter Friday 12th May

Fine diner/proud cloud

Our proud cloud is: **Coco** for trying so very hard with her handwriting and producing an amazing version of Lost and Found.

Our fine diner is: **Scott** for always using his lovely manners.

We hope you all have a super weekend!

Mrs Aylott, Miss Ankers and Mrs Ross

We STILL Need Your HELP!

We will be focusing on Oliver Jeffers Lost and Found for the next 2 weeks.

Please can we put out a plea for:

- Red and white striped bobble hats
- Red and white striped jumpers
- Red and yellow striped umbrella (large)
- Penguin costumes - (One received - Thanks!)
- A brown brief case

Please can all items be named, we will return them at the end of the half term.

Pre-learning:

As part of our topic we have been finding facts out about Antarctica. Can you look at some images of Antarctica, and find out some more interesting facts (especially about animals).

Things to remember

- ✓ **Monday** - PE kit to stay in school please.
- ✓ **Wednesday** - Home learning in.
- ✓ **Thursday** - Library books returned.
- ✓ **Friday** - **NO SCHOOL**
