Reading books

Thank you for all your hard work reading with your children every night, it really is making a huge difference to their learning. Two books will be sent home for half term to keep the enthusiasm going!

Link Books

Please communicate day-to-day comments via the link book. If you would like to discuss something in depth, please arrange an appointment.

Things to remember

- * Please wash PE kits over half term and return them ready for the PE session on Monday.
- * No Home Learning over the holidays, please have a restful and enjoyable break.

Half term

Wishing you all an enjoyable, happy half term. We look forward to seeing you after your break, full of energy for our busy Autumn 2 term

Fine diner/proud cloud

The children have continued to approach their learning with enthusiasm I am proud of them all.

Our fine diner is: **Teagan** for being helpful to others in the lunch hall.

Learning this week

The children were very excited on Tuesday. As part of our topic 'where I live' we went to the post office to post our cards. We have been looking at local maps, and plotted our route from school to the post offices, taking note of the safe places to cross. Hopefully your cards will arrive in the next few days.

In English this week we have been retelling the story of Dogger, looking at the characters, and recognising the beginning, middle and the end of the story. The children performed their stories to the rest of the class.

Sharing Afternoon.

Sharing Afternoon Thank you so much for coming in and seeing the fantastic learning that your children have been busy doing since September. We look forward to welcoming you to look at their books again during the Parents' Evenings. All Parents' Evening time slots have now been sent home.

Forest school

What a wonderful end to forest school, we made a wormery, ask your child how we made them, a good activity for over the half term?

Have a great weekend 😊Mrs
