

Learning next week.

In English we will be writing labels and captions, practising our cursive writing (ask your child about 'tails in and tails out').

In maths we will be adding numbers to 20 and writing number sentences. We will be practising our number formation

Topic we will be researching our houses on google maps and writing our address

Fine diner/proud cloud

The children have continued to approach their learning with enthusiasm I am proud of them all.

Our fine diner is: **Marco** for always cleaning away his plate and cutlery without being asked.

Our proud cloud is: **Scott** for his perseverance with his cursive handwriting.

Home learning.

Wow! I am really enjoying your home learning, thank you for all your effort and thought that quite clearly goes into each weeks learning. If you would like to send a video, please send to office@harpendenacademy.org

Have a great weekend ☺Mrs Dorney, Mrs Ross, Mrs Bird, Mrs Baines and Mrs Harrington-Brown

Learning this week

This week in English we have been writing a recount of what we do in the morning. Ask your child about time words, and recounting in order their daily routine.

In Maths, we have been learning number bonds to 10. We used Montessori number rods to find all the different ways. Some great independent learning!

In creative art we have been observing different scales, looking at objects near and far. We went out to the playground and looked at the far away chimneys and how near the school building is.

Forest school

Gosh haven't we been luck with the weather the past two weeks! We have all had a wonderful time exploring the park. This week we made clay hedgehogs and went on to make a shelter for them; we had to think about predators! Ask your children, who would like to eat the hedgehogs, and what can they do to protect themselves!

Children can come into school on a Wednesday with their forest school clothes on, but need to bring school clothes to change into for the afternoon.

Our clay hedgehogs.

Coming into school

A huge well done to all the children for being so brave and coming into school on their own. I can't believe we are only at the end of week 3, you are becoming increasingly independent with your daily routine.

THANK YOU PARENTS FOR YOUR SUPPORT WITH THIS.
