

## Learning this week

**English** This week we have been focusing on our talk for writing version of Jack and the Beanstalk. We have been practising with reception as we will be performing it in an assembly next week after the fun run. We have also written our own versions of Jack and the Beanstalk. We really are trying hard to write in sentences with full stops, capitals letters and adjectives, all whilst remembering to use story language! What a lot to ask of a 5 or 6 year old, but we excelled in this task!

**Maths** We have been learning all about time this week. We have learnt about second, minute and hour hands on a clock. We can also now tell the time on an analogue clock at o'clock and half past.

**Highlight of The Week** - Jack and the Beanstalk talk for writing. The children were so animated and excited!
