

Learning this week

English We have become authors and illustrators this week. We've created our own books with our own stories that we are very proud of. We have also imagined that we were a penguin and wrote a fact we would say, please come and take a look at these as they are on our penguin display outside the classroom.

Maths We have continued exploring money this week, really focusing on what coins we would need for different amounts, and then finding another way e.g $10p = 5p + 5p$ or $2p + 2p + 1p + 5p$.

Highlight of The Week - Seeing the progression in the children's writing, and how proud they were of themselves.
