

Learning this week

English We have been exploring the characters in our current book 'Lost and Found' and thinking about how they might be feeling. We have broken the story down into sections in order to help us understand the structure of a story. Next week we will be writing our own versions of the story.

Maths This week we have continued to consolidate the children's learning in missing number problems and equivalent expressions. The children have also been looking at counting in 2's 5's and 10's.

Highlight of The Week - The children have really been applying their phonics knowledge into their writing. They have been pointing out digraphs and trigraphs that they spot. This is also showing in their reading, well done Elmer Class!!
