Learning this week

English We have looked at non-chronological reports in quite a lot of detail this week. We are now pretty good at naming the features. We labelled the features, in groups and then looked at the language.
We then moved on to putting a report together. We looked at a report and in groups we put it together.

Maths We have continued to challenged ourselves by looking at groups of numbers (multiplication). We have been doing lots of partner work to aid our learning.

Highlight of The Week – Our phonics screening tests!! The children had such excellent mind-sets and confidently took it in their stride.

Elmer Class Newsletter
Friday 16th June

We hope you all have a relaxing weekend.

Mrs Aylott, Miss Ankers and Mrs Ross

Fine diner/proud cloud

Our proud cloud is: **Dallas** for trying so hard his phonics.
Our fine diner is: **Jack** for being so kind and understanding at lunch time.

Wildlife Day

On Monday we are having a wildlife day in Rothampsted Park. We will be looking at the local wildlife and their habitats. Children are to come to school in their normal uniform, please do provide sun hats or waterproofs depending on the weather.

CHILDREN WILL NEED A DISPOSABLE PACKED LUNCH

Pre-learning:

In maths we are continuing to looking at multiplication. What things can you find to count in groups around your home? E.g. groups of socks. Can you record the corresponding number sentence 5x2=10

Things to remember

- ✓ **Monday** – **PE** kit to stay in school please.
- ✓ **Tuesday** – Lunchtime Park visit.
- ✓ **Wednesday** – Home learning in.
- ✓ **Thursday**- Library books returned and P.E
- ✓ **Friday** – Home learning set.
