

Learning this week

English: We have been writing descriptive pieces on what it would be like to walk through a rainforest. The children have used excellent adjectives. We then identified all of the nouns and verbs that we had used.

Maths: This week we have been focusing on division, using objects to help us. We have been sharing into equal groups and working out division word problems.

Highlight Of The Week: Our football sessions at Rothamsted Sports Centre have been very exciting, the progress the children have made in a short period of time is amazing!
