

# Year 3

## Newsletter

Friday 23rd June 2017

### Fine Diner & Proud Cloud

**Fine diner:** Keira for always helping me to tidy up at lunchtime - thank you!

**Proud cloud:** D'Anton for making a beautiful map of the park ready to write a story in a familiar setting.

### Dates to remember

- PE is on Monday and Thursday
- Library is on Friday
- Spelling dictation on Friday
- Home learning to be returned every

### Volcanoes

The children are in the process of completing their volcanoes. We have one more round of painting to go and then they will be ready to come home at the end of next week!

### Learning this week

In English this week we have been learning about how to describe objects from the point of view of someone else. This week we thought about how Max the hedgehog would describe objects that he had never seen before eg a telephone box. We also started to think about our settings for stories next week.

In maths we have been finding amounts of money. We have been thinking about how we would find the totals of different amounts as well as thinking about different ways of making the same amount of money. We will be continuing with this next week.

Have a lovely weekend!

### Pre-learning for next week

In English we are going to writing our stories set in a park. If over the weekend you could visit a park or talk to your child about a recent visit to a park and describe it using their senses eg What they could see, hear smell, feel etc.

In maths we will continue to look at money therefore if you could continue to discuss 'finding change' with your child it would be very much appreciated.

### Clothing for school.

Please could you make sure that you child comes to school with a sun hat as it seems that the weather is finally getting better.

Your child needs to have sun tan lotion applied before they come to school, especially as on some days we will be going off site.
