Pre learning

Maths: Next week are going to be looking at length. At home you could have a go at using a ruler/tape measure to measure different distances in your house.

Learning this week

English: This week we started writing our own stories set in the park. We have focused on using the descriptive language that we have been looking at over the past couple of weeks as well as using paragraphs to order ideas. I have been so impressed with the content of the stories the children have started to produce and I know they are very proud of themselves. We haven't quite managed to finish them so I am looking forward to finding out what happens to poor Max the hedgehog!

Maths: In Maths the children have been learning to find the perimeter of different shapes. They have then gone on to draw shapes with a particular perimeter. The class have worked hard to this all week and I have enjoyed working with them to solve problems linked to finding the perimeter.

Sports Day

It was lovely to see you all at Sports Day. The children worked really hard and we were really proud to see such fantastic sportsmanship from the children.

Moving Up Afternoon

On Thursday 13th July, we will be having our moving up afternoon. We will get the opportunity to spend some time in our new classes. We are really looking forward to it!!!

Have a lovely weekend!

Mrs Wong, Mrs Haines and Mrs Duncan.
