

This Week

WOW – the children have completely surpassed my hopes for this week – they have come bounding in for their SATs (well at least for their breakfast parties) each day and have shown incredibly calm yet determined attitudes throughout.

It has been lovely in the afternoons to do sport, art and topic. We also spent some time on Tuesday afternoon in Year Three acting as mini-teachers for their computing animation lesson which was lots of fun.

Seeing the children all playing and eating ice cream in the park on Thursday was just lovely too.

Maths and English

This week we have completed our SATs for Reading, SPAG and maths – woo hoo!

Over the next few weeks we will be focusing on writing, in preparation for our writing moderation in June where our teacher assessments of the children's writing levels will be moderated by Herts.

We will also be continuing to do daily maths and English in a cross-curricular way. The next two weeks will be an art fortnight so we will be looking at maths in art and writing stories and poetry inspired by art.

Proud Cloud and Fine diner

Proud Cloud is **everyone in Year 6** for your amazingly positive, growth mindset attitudes to SATs – we couldn't be prouder of the way you've tackled the tests.

Fine Diner is **everyone in Year 6** for being calm, grateful and polite during our breakfast parties this week.

Next Week

We are having an Art Fortnight for the next two weeks with all our learning linked to art. We will be looking in particular at science through art and PSHE through art.

In addition we will be learning more about the general election and running our own election to vote on our non-European Society topic for next half term.

We have an **exciting class trip to the David Hockney art exhibition at the Tate Britain on Tuesday 23rd May**—payment and reply forms were due back by today - Friday 12th May.
