**What do you like best about being a Teacher at Harpenden Academy?**

The children! I became a teacher to make a difference in children's lives and provide them with the best possible education.

I also love being part of a school in the early stages of development and knowing I can be part of creating its future. The team at Harpenden Academy are incredible and I am proud to work alongside them all.

**What were your favourite subjects at school?**

I loved every subject at school and really enjoyed my education. Maths was definitely my favourite subject!

**What are your favourite subjects to teach?**

All of them! The curriculum allows us to be so creative now that we can combine subjects to teach even more exciting

lessons. I do however love Maths, English, Computing, P.E, DT and Art the most!

**What is your favourite book and why?**

The Lion, the Witch and the Wardrobe. This book was first read to me by my teacher when I was at school. I was gripped by it instantly. It has gone on to inspire many of my lessons as a teacher and even my new class name - Aslan.

**What is your favourite place in the world and why?**

Turkey. I went on the most incredible holiday there with my husband 7 years ago. We took a boat down the river to the point that it met the Mediterranean Sea. We saw beautiful turtles and ate fresh water blue crabs.

**What did you want to be when you were younger?**

I always wanted to grow up and be a mum. I also wanted to be a teacher but I did have a few other ambitions at various points including a pilot and an accountant.

**What made you want to become a Teacher?**

Being able to provide the foundations on which a child will build for the rest of their lives is such a privilege and I wanted to be part of that.

**What is your favourite food?**

I enjoy a wide range of food and have many favourite dishes. I love seafood, roast dinners and a good cheese board (just not all at once).

What is your least favourite food?

Brussel Sprouts

My 2 daughters  
  
I have 2 sisters.

If you were on a desert island what two things would you take with you?

A fire starter, so that we could all survive!
