

Fine Diner & Proud Cloud

***Fine diner:** All of year 3 for lining up sensibly for their lunch.*

***Proud cloud:** Vera for always being focused on her work in the classroom.*

Forest School

Reminder: this was our last week at Forest School. Shaun ended the session by playing lots of team building games which the children really enjoyed.

Small Acts of Kindness

Thank you again for the donations that we took to the Cancer Research Charity Shop today. They were really appreciated and the children recognised the value of helping others.

Over the holiday, please encourage your child to continue being kind to others. Perhaps they could do the washing up for you or do some baking for a neighbour?! Other ideas for small acts of kindness (suggested by children during family groups) include writing a letter to a family member, helping a sibling with their reading, tidy their room without being asked!

Year 3 Newsletter Friday 10th February

Learning this week

English: This week we have grammar and punctuation in our writing and thought carefully about using conjunctions to extend our sentences. (e.g., but, so, if and although). We have also had a go at doing our own storytelling in the hall.

Maths: We have had a lot of fun making a human bar chart this week. We also learnt to analyse graphs and learnt to produce a bar chart using ICT.

Next half term

Next half term we will be continuing with our *Festival of the Written and Spoken Word*. The first two weeks will be focused on Poetry – in preparation for this, please read and enjoy some poetry over the half term holiday. We are sending home a copy of 'Attacked by a Banana' by Michael Rosen for your child to practise. As a class, we will be performing this poem to the rest of the school.

In week two, we have World Book Day. We hope you are enjoying preparing your costume for this special day.

Week Three is SCIENCE WEEK. We are really looking forward to this and have some exciting experiments planned!

In addition to all of this, we will be continuing with our Romans Topic including a trip on Wednesday 8th March to Verulamium Museum. More details to follow.

From all of the Year 3 team,
we wish you a wonderful
half term break.
