

7th September 2016**Dear parents,**

Please find attached a full list of your class reps for this academic year, plus the current Friends of Harpenden Academy committee.

Class Representatives

Class Reps help build a sense of community among parents and they can help provide the link between you, your class teacher and the school. The Friends ask for a representative from each class to support them by circulating emails about forthcoming events and fundraising ideas. Your class reps may also choose to arrange social events for parents in your class.

Parents of Reception and new children are invited to email their details to their class reps so that they can be included on a class contact list.

The class reps attend regular meetings with Mrs Davies and will canvas feedback and potential issues from their parent group to raise in these meetings. Minutes will be distributed to the parents signed up to the class list.

Committee vacancies

If you are interested in joining the Friends committee, we have vacancies for the following roles; Chair, Sub Chair, Sub Secretary, Sub Treasurer. Please contact me on daveandsusan@mac.com if you would like to find out more.

Comedy Night

Hopefully you have all received booking forms home for comedy night on 1st October - this is the first event to be run by our new events team of Jess and Dina, please show your support by booking your tickets early. Money raised will go towards expanding the school's collection of library and reading books.

Many thanks

Susan Leggott
Outgoing chair of Friends of Harpenden Academy
