

## Fine Diner & Proud Cloud

### Potter Class:

**Fine diner:** Mollie Stocker for always being sensible in the dining room.

**Proud cloud:** Rufus Lane for fantastic effort in all areas of the curriculum.

### Kipling Class:

**Fine diner:** Emily Oliviere for always being sensible in the dining room.

**Proud cloud:** Santi Sanchez Dominguez for great progress in reading.

## IMPORTANT

Please ensure you have filled in the 'Annual Parental Consent Form'

This will enable us to take children out on local trips in the future.

## Things to remember

Feeling Good week is next week.

**Mrs Wong, Mrs Haines and Mrs Moss**

# Year 3 Newsletter Friday 30th September

## Learning this week

What a great week!

In maths this week the children have been learning how to subtract using 2 and 3 digit numbers mentally. They have been working really hard at speeding up their mental recall of these calculations.

In English the children have started to plan their own adventure story. They have thought about their own characters and the problem that they'll face. We are really excited to read them.

In science we have been looking at different types of rocks and their properties. The children have sorted the rocks and learnt about how they are formed.

In History they have completed their research of the 3 eras of The Stone Age and created a leaflet about them.

## Wet Weather

Children will be expected to go outside in 'light rain' during break and lunchtimes.

To make sure that your child is able to get fresh air and a run around please could you make sure they have suitable wet weather clothing in school.

## Handwriting

We are teaching the children the cursive script in school. If children are ready, they are now being taught to join some letters. On the back of this newsletter is a copy of our cursive script so that you can reinforce this at home. As you can see very letter starts on the line with a 'tail in' and finishes with a 'tail out' (ready for joining). All letters should be in proportion to each other with clear ascenders (tall lines e.g. l, t, k, b, d, h, f) and descenders (lines that go below e.g. p, q, g, y, f, j).

## A Time to Shine

NEXT WEEK'S TIME TO SHINE IS FOR:

**Potter class:** Foxes group

**Kipling class:** Sheer Khan group
